

2007 National DEAR (Drop Everything and Read) Day
Lura Libby School and Cushing Community School

National D.E.A.R. was celebrated on Thursday, April 12th. Students from both CCS and LLS were encouraged to participate in thirty minutes of reading at home with their families. Flyers were sent home during the week before April break and all signed and returned flyers were entered into a drawing for a new book.

Congratulations to book winners Nick Killeran (CCS 3rd grader) and Cheyenne Montgomery (LLS 4th grader). Thank you to all participating students. Reading together is a great family activity.
